

24th March 2016

Dear parents and carers,

Parent Forum

Last Thursday (17th March) we held our first Parent Forum here at school. The focus of the meeting was to identify a purpose for the forum and establish some guiding principles by which it will be able to operate.

The forum has been established as a vehicle for informal communication between the parents and school. It will meet once a term. Our principle rule is that we are here to talk about whole school issues. We aim to discuss questions from parents where there may be the need for clarity or a request for information.

Issues regarding an individual child or class must be taken to the class teacher of leadership in the school.

The first formal meeting of the forum will be held in school on Tuesday 19th April at 6.00pm.

If you would like anything to go on the agenda, please talk to one of the parents identified below. Alternatively, pop a note in the school post box or email the office.

I am very much looking to working with this group and establishing further links between home and school.

Kind regards,

Dave Willetts
