Dear Parents

Multi-Academy Trust meeting

Thank you to the parents, staff, governors and the representatives from Hanley Castle, Hanley Swan and Upton-upon-Severn who were able to attend our consultation event last night. It was encouraging to see so many parents taking an interest in the next phase of Kempsey's journey and I'm grateful to those of you who asked the myriad of questions that arose during the course of the presentation. Topics for debate included school finances, admissions, Diocesan representation and trade union links to name but a few.

For those of you who weren't able to attend the meeting, I strongly recommend that you do take the time to review the materials now available on the school website and should you have any questions or comments on our proposal to establish a MAT then please do get in touch; either by emailing kps.governors2016@gmail.com, talking to directly to governors in the playground or leaving a message with the school office.

The governing body will be looking to formalise our direction of travel at the next meeting on the 20th April and so your contributions before this date will be invaluable.

With best wishes for a restful Easter break.

Steven Price
